

## Welding Symbols

### **Directions:**

1. Research the following symbols. Create a set of "Welding Flash Cards" on index cards for the following symbols.
  - Seam
  - Back
  - Fillet
  - Pug or slot
  - Square
  - V
  - Bevel
  - U
  - J
  - Flare bevel
  - Flare V
  - Surfacing
  - Edge
  - Corner
  - Melt through
  - Weld all around
  - Field weld
  - Flush
  - Concave
  - Convex
2. Practice with these flash cards. Compete in a class competition as to who can guess the correct weld in the fastest amount of time.
