Press Release

The Guthrie Common School District will offer pre-kindergarten classes if 15 or more eligible children are identified who are at least four years of age on or before September 1, 2010.

Students may be eligible for this program if they meet one of four criteria: (1) unable to speak and understand the English language; (2) qualify for free or reduced meal benefits; (3) a dependent of active duty member of the military; or (4) qualify as being "homeless".

If you have a four year old child who may qualify and are interested in him/her attending a pre-kindergarten class, please notify the superintendent at (806) 596-4466.
